

Terms & conditions for sale & renting of packing material

All products in our shop are offered in Swiss Francs.

The terms and conditions must be read and accepted by the buyer / renter before the order. A contract between the buyer / renter and Schäfli AG is not legally valid until the order is accepted / confirmed. The buyer / renter receives a confirmation for the order by e-mail or phone. The buyer / renter commits to pay the purchasing / renting price as well as the delivery costs.

When filling out the order form in the shop the buyer / renter commits himself to provide truthful information. Personal data will be treated confidentially by Schäfli AG and will not be passed on to third parties.

Persons under the age of 18 years as well as persons who are not fully capable of acting need the acceptance of their legal representative for the completion of an order.

The delivery costs are different for each tariff zone. By choosing pick-up the goods yourself at our warehouse at Mühllentalstrasse 174 in Schaffhausen there are no delivery costs.

Benefit and risk are passed on to the customer from delivery or pick-up of the goods.

The ordered material will be delivered to the requested address, unless collection from our warehouse has been selected. The delivery time takes 2 to 5 working days (if not agreed otherwise). Schäfli AG will make every effort to meet the specified delivery dates. Every warranty is excluded.

There is no general claim of exchange or return of the purchased material. If you chose the wrong packing material by mistake, we ask you to get in contact with us to find a solution.

Packing material to be rented is used several times for environmental reasons and may therefore show signs of use which, however, do not affect the functions of the packaging material. Rented packing material may be used for a maximum of 3 months from the date of delivery / pick-up. The packing material can be collected by Schäfli AG at a charge or can be returned by the customer.
